

AUDITION RESULTS! :)

Congratulations to EVERYONE who auditioned! This year's competition was so tight, it really made this process very difficult. Don't forget that your worth is not defined by what choir you did or did not make it into. You all are amazing individuals no matter what! Keep singing and smiling!

Everyone who auditioned should be on a list. If you don't see your name somewhere, that means there has been a mistake, so please contact me. If you'd like to receive feedback on how you could improve in the future, please feel free to email me as well, I'm happy to help!
