

## 2020-2021 Choir Audition Instructions

Due to our current situation, all auditions will be done online this year. All documents will be uploaded via Google Classroom. Below are the steps for completing your audition. In addition, videos have been uploaded on the choir website to explain everything as well.

### 1. Record your *Audition Video*

- **A.** Record the melody of your memorized short song with no accompaniment (songs choices can be found in Choir Audition Information on website)
- **B.** Record vocal exercises (have vocal exercise track playing from website on another device so you can sing along with correct notes and intonation)
- *Please make sure that you only submit ONE video that includes everything listed above. Before you record the video, be sure that you have your beginning note for your short song and that vocal exercise track is ready to go so you can go immediately from your short song into the vocal exercises. After hearing 200 videos, any extra time in these videos adds hours to the overall process. Please be considerate.*

### 2. Fill out your *Audition Form*

- **A.** Print the audition form from the choir website or pick it up in the MMHS Front Office.
- **B.** Make sure you and your parent read and fill out ALL of the information and sign/initial everything that requires your understanding/commitment.
- *Submit 2 photos. The first photo will be of the front of the audition form, and the second of the back of the audition form. Make sure to crop each photo so the only thing in the photo is the form. Most importantly, be sure that it is easy to see and read.*

### 3. Upload your *Audition Video and Audition Form via Google Classroom*

- **A.** Go to google classroom using your nebo email. Use the join code **4jqv2ce** to join Mr. Rymer's Google Classroom.
- **B.** After joining the class, find the assignment *Audition Video and Audition Form*. After clicking on the assignment, upload (click "add or create" to upload your file) the following 3 documents (no more, no less)-
  - 1. Audition Video
  - 2. Audition Form Front Page
  - 3. Audition Form Back Page
- **Submissions are due by Sunday, May 3rd.** Results will be posted *no later than Monday, May 18th*. If you don't see your name on any list, contact Mr. Rymer to make sure a mistake has not been made.
